

Tour of Expressions 2017

Greetings from Hands of Perfection, a locally owned Nail Salon and Spa located in the heart of Kansas City's Brookside neighborhood. We are proud to present our second, "Tour of Expressions". This event will focus on enhancing "Healthy Women Affairs" by creating a traveling women's retreat to inspire and motivate approximately 27 to 30 women. The event is scheduled to take place on Saturday, August 19, 2017.

The day will consist of four different sites, around the Kansas City, Kansas and Kansas City, Missouri areas. The four site locations are the visual component into the experience of the day in motivating efforts to advance and support women's lifestyles.
